Title: Barry

Sculptures that move are called KINETIC sculptures. After you have seen the sculptures draw a circle around the kinetic sculptures in this group.

The following materials have been used when some of the sculptures in this group were made. Can you match the sculpture number to the material?

- WOOD _____
- METAL _____
- STRING / ROPE _____
- FABRIC _____

09 | Jackie Ralph

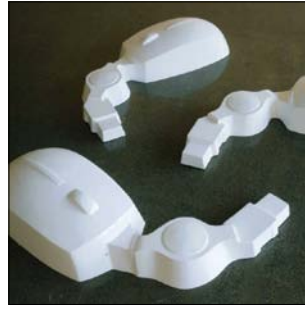

Title: Shipwrecked Horse

10 | Jud Wimhurst

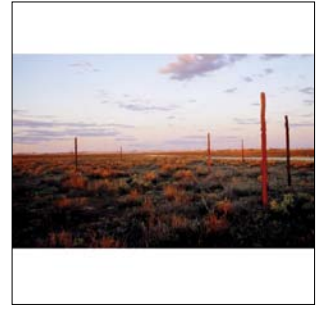

Title: Choices
(ctrl+alt+delete)

11 | Julie Shiels

Title: Colony 2

12 | Greg Johns

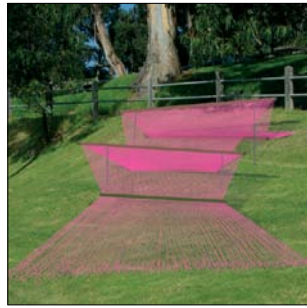

Title: Landings - Land
lines – Songlines

13 | Stelarc

Title: Ear on Arm

14 | Greer Taylor

Title: Tumble

15 | Roman Liebach

Title: 've Gone With The
Wind

16 | Anderson Hunt

Title: Tweet ...The Silence
of Speak

While you are looking at these sculptures in this group think about the ones that remind you of living things. How many did remind you of living things?

Put a circle on the sculpture in this group that you think is the largest and a cross on the one that you think is the smallest.

17 | Robert Hague

Title: Monument

18 | John Wrigglesworth

Title: Dogma

19 | Robbie Rowlands

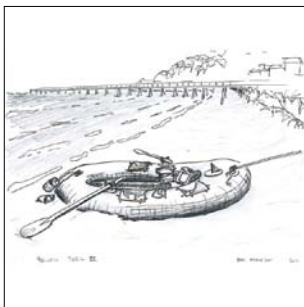

Title: Fallen - Night Worker

20 | Inge King

Title: Link III

Title: Nestings

40 | Carmel Wallace

Title: Red Sea Installation

Sculptures are displayed in different ways. Circle the ones in this group that sit on the ground and put a cross on the ones that don't.

Which sculpture do you think was the hardest to make?

Sculpture is: (add your own words to describe sculpture)
square, smooth, pointed, big, interesting, strange.

Which sculpture was the most colourful?

Which is the smallest sculpture?

Which is the biggest sculpture?

Which do you think is the heaviest sculpture?

Which is the lightest sculpture?

Which sculpture is the tallest?

Which sculpture reminded you most about taking care of the environment?

Which sculpture made you feel good?

Which sculpture made you think the most? Why?

If you were a sculptor creating a sculpture by the sea – what would it look like?
(Draw your design in this box.)
